ABOUT US

Ysport is a proudly South African sports apparel brand based in Cape Town. We design and manufacture high-quality custom sportswear for clubs across South Africa, helping teams look professional and feel confident on and off the field.

Our Story

Ysport was founded in 2014 by Yaasir Jacobs. Growing up around Salt River Football Club, where his father once served as chairman, sport has always been a big part of his life. What began as a small part-time venture quickly grew into a brand driven by a passion for sport, design, and community.

Our Purpose

At Ysport, we believe sport is a powerful equaliser. It brings people together, builds confidence, and strengthens communities. Our mission is to support clubs by providing quality apparel that represents their identity with pride.

Our Values

Community. Integrity. Originality. Quality.
We are committed to working with local small businesses and creating opportunities by employing and upskilling youth from disadvantaged communities.

Our Vision

To grow Ysport into a globally recognised sportswear brand while staying true to our proudly South African roots.

Founder : Yaasir Jacobs

***" WE WISHING EVERYONE A GREAT
2026 GOD WILLING AND LOOKING
FORWARD TO DOING BUSINESS
TOGETHER "***
